# 14 DAYS OF GRACE EXPLOSION

THEME:  
**JESUS**

- You may have fleeting hunger pains or dizziness.
- Withdrawal from caffeine and sugar may cause headaches.
- Physical annoyances may also include weakness, tiredness, or sleeplessness.

The first two or three days are usually the hardest. As you continue to fast, you will likely experience a sense of well-being both physically and spiritually. However, should you feel hunger pains, increase your liquid intake.

## STEP 4: Put Yourself on a Schedule

For maximum spiritual benefit, set aside time to be alone with the Lord. Listen for His leading. The more time you spend with Him, the more meaningful your fast will be.

### Morning

- Begin your day in praise and worship.
- Read and meditate on God's Word.
- Invite the Holy Spirit to work in you.
- Invite God to use you.
- Pray for His vision for your life and empowerment to do His will.

### Afternoon

- Return to prayer and God's Word.
- Take a short prayer walk.

### Evening

- When possible, begin and end each day on your knees for a brief time of praise and thanksgiving to God.

## STEP 5: End Your Fast Gradually

### Break Your Fast

First of all drink water; if possible warm water or beverage to help the digestive track to relax. After that, you should start off with something light to eat such as fruit; namely bananas or apples. Do not break your fast with fruits such as oranges due to their high acidic content. The fast for each day will end at 6pm.

## STEP 6: Expect Results

***If you sincerely humble yourself before the Lord, repent, pray, and seek God's face; if you consistently meditate on His Word, you will experience a heightened awareness of His presence (John 14:21).*** The Lord will give you fresh, new spiritual insights. Your confidence and faith in God will be strengthened. You will feel mentally, spiritually and physically refreshed.

# CORE VALUES

---

Values are a response to the belief that you have in life. The values that shape and define us as a church are our particular response to the biblical truths that we embrace. Simply put, our values are the practical expression of the things we believe, and are summed up in the following points.

## **Integrity**

A love for the Gospel. Passion for God, and emphasis on sound doctrine. A pursuit of the active presence of God and the ministry of the Holy Spirit by speaking in tongues. A pursuit of godliness and righteousness through the application of grace.

## **Respect**

A commitment to relationship as a channel for God's blessings in our lives. A commitment of service to God and humanity. An attitude of excellence in every area of life and in ministry.

# CHURCH CULTURE

---

## **How Believers Fast**

When believers fast, they abstain from food to signal dependence on God. Instead of relying on food to sustain us, we turn our focus to God and rely on Him for strength and also to entreat him for spiritual matters. It adds power to our prayers. Note that fasting is always joined with prayer, otherwise it's just starvation.

Fasting teaches us spiritual discipline. Many great people in the Bible fasted and saw God move in miraculous ways among them, from Daniel to Esther to Paul and even Jesus. It teaches us spiritual discipline.

## **Fasting is part of our walk with God**

Jesus said to the disciples in Matthew 6:16: "When you fast...". This implies that as believers, fasting is a part of our walk with God. If you sincerely humble yourself before God, repent, pray and meditate on His Word, you'll experience a heightened awareness of His presence (John 14:21). You'll feel mentally, spiritually and physically refreshed.
